

Health Insurance Coverage

The federal Patient Protection and Affordable Care Act (ACA) requires that all residents of the United States have health insurance coverage. In compliance, The New York Conservatory for Dramatic Arts offers an ACA-compliant insurance plan (United Health Care), or allows students to use their own health insurance policy throughout the time that they are enrolled at NYCDA.

Please check one of the boxes below:

- ☐ I would like to be on The New York Conservatory for The Dramatic Art's health insurance plan that is provided to students (United Health Care). I understand that my account will be billed \$853.00 for this plan, which covers students from 1/1/2015 – 8/14/2015, which I am responsible for paying.

If you would like to choose this option, please provide the following information:

Name: _____

Date of Birth: _____

Home Address: _____

- ☐ I have my own health insurance policy and I do not want NYCDA's health insurance.

The name of my insurance carrier is: _____

The policy number is: _____

The name of the insurer is: _____

By signing below, you are committing to your selected health insurance coverage option.

Print Name: _____
